Thank you for offering to share your lockdown art with a wider audience! These notes are to help you complete the participation form, and are for your general information.

Please use Block capitals to complete the form, to help us get your details correct.

If you are sharing some Poetry, please indicate how you wish it to be displayed, and if you are printing it, please make the lettering large enough to be read from a distance, typically using a font size of 14 or more, and tell us how many pages it is.

Importantly, if you wish to sell your artwork, please say so, and give us more details on the blank side of the participation form.

If you don't have enough room to complete the details in the table provided then please turn over and use the blank side of the form.

Please bring your works of art to St Mary's church on Friday 29<sup>th</sup> April between 10am and 7pm, and have them ready for display. You will be shown where they are to go. If you need help in displaying them please advise us beforehand. After the exhibition is over, please collect your items as soon as possible, either on Monday 2<sup>nd</sup> May after 5pm or on Tuesday 3<sup>rd</sup> May between 10am and 7pm.

There will be attendants on hand at the exhibition if you have any queries, or you can contact us as follows.
